Remarks

Savor the view! This two bedroom, two full bath condo has been immaculately maintained with a front row seat for mother nature's incredible sunsets over South Natick's rolling hills. Move in ready with gleaming hardwood floors abound from the foyer throughout the kitchen and into the open living room. The kitchen is complete with stainless steel appliances, beautiful granite counters and a cozy corner for simple dining. Serve a special meal in the elegant octagonal dining room accented by distinguished wainscoting and an open wall to the main living space. Abundant natural light fills both bedrooms, and the master bath seems never-ending as it flows from the bedroom through to the walk-in closet! Four-piece bathroom set includes a corner soaking tub and a double vanity --convenient space getting ready for the day. The second bedroom and bath provides a gracious welcome for visiting guests or family. Laundry room offers plenty of shelf space and stackable washer and dryer. Deeded garage space makes this beauty a complete package!
